***TECHNICAL SHEETS***

**NAME** Color Beat Maticolor No Yellow

**PRODUCT** Toner.

**CAPACITY** 100 ml 3,38 Fl. Oz.

**HAIR TYPE** Blond, bleached or gray hair.

**DESCRIPTION** Toner to create grays with different intensities, remove unwanted yellow reflections, tint white hairs, create purple tones... Cares for the hair and provides extraordinary shine.

**ACTIVE INGREDIENT** The **plant oil complex** has a high nutrient and vitamin E content. The synergistic power of the oils and the fluid texture of the toner provide an easy application and penetration of the product to the hair fiber.

**DIRECTIONS FOR USE** Mix Color Beat Maticolor no yellow with water, conditioner or mask (mix about 5g of Maticolor + 25g of water, conditioner or mask). The mix may be changed according to the hair or the intensity of the underlying reflection. Wearing gloves, gently massage the product evenly over the hair. Leave on for 1 to 15 minutes, according to the desired result. Rinse with plenty of water and style.
