

TECHNICAL SHEETS

NAME Curl therapy oil

PRODUCT Essential oils for the hair.

CAPACITY 95 ml 3,21 Fl. Oz.

HAIR TYPE Curly and wavy hair.

DESCRIPTION Moisturizing oil suitable for followers of the **Curly Girl Method**. Improves hair shine and flexibility while preventing frizz. Essential for the perfect finish.

ACTIVE INGREDIENT **Avocado** is an excellent ally to strengthen and repair the most dry and damaged hair. Unsaturated fats provide the hair with intense moisture, strengthening the root and promoting hair regeneration. **Coconut oil** is ideal for curly and wavy hair, thanks to its moisturizing properties. Rich in water, minerals and oils, it moisturizes and softens from root to tip, helping to define curls and waves and prevent frizz. **Macadamia oil** is rich in vitamin E, omega 7 and palmitoleic acid. Its benefits include its incredible moisturizing properties, which promote hair strength and resistance and prevent frizz. **Sweet almond** is rich in calcium, omega 6, fatty acids and vitamin E. Sweet almond hydrates the hair, leaving it stronger and more flexible.

DIRECTIONS FOR USE Apply a few drops on the palm of the hand and smooth over clean, damp or dry hair from mid lengths to tips.
