***TECHNICAL SHEETS***

**NAME** UVB Protective Spray

**PRODUCT** Spray bifásico.

**CAPACITY** 240 ml 8,12 Fl. Oz.

**HAIR TYPE** Todo tipo de cabello.

**DESCRIPTION** A light, two-phase spray that protects and repairs hair from damage caused during exposure to the sun without weighing it down. Protects, conditions and enhances styling.

**ACTIVE INGREDIENT** The **UVB filter** protects hair from possible damage caused by the sun's rays such as dry hair or color loss. **Conditioning agents** nourish the hair leaving it silky and easy to untangle.

**DIRECTIONS FOR USE** Shake before use. Apply uniformly over dry or wet hair before or during sun exposure. Repeat when necessary and re-apply the product after bathing.
