***TECHNICAL SHEETS***

**NAME** Total Volume mask

**PRODUCT** Lightweight mask.

**CAPACITY** 500 ml 16,91 Fl. Oz.

**HAIR TYPE** Fine, flat hair.

**DESCRIPTION** Lightweight mask formulated to hydrate and add volume to fine hair. Prevents frizz without weighing down the hair, leaving it stronger, with volume and movement.

**ACTIVE INGREDIENT** **Bamboo oil** is rich in vitamins and silicon, helping to improve hair resistance, thanks to its powerful antioxidant properties. **Olive oil** is high in vitamins A, C and E, which are involved in collagen formation, promoting cell regeneration.

**DIRECTIONS FOR USE** Apply to washed and lightly towel-dried hair. Apply from the mid lengths to the tips and leave on for 3 minutes, massaging the strands. Rinse thoroughly with water.
